

NEXGEN

UTILITY SALES
MANUFACTURING REP AGENCY

- Power Transformers up to 300MVA
- Distribution transformers & Fiberglass Pads, 1 phase & 3 phase up to 5000kVA
- Mobile Substations & Portable substation equipment
- Reactors
- Substation Field Services
- Instrument Transformers
- Mobile Generation
- DC Power & Charging Systems
- Solar Cells & Panels
- Battery Energy Storage Systems
- Mobile Energy Storage Systems
- Power Quality Systems (Statcom/SVC)
- Monitoring Equipment
- Transformer Cooling Systems & Fans
- Oil Filtering systems & Elements

Delta Star, Inc – Virginia, California, & Quebec, Canada – www.DeltaStar.com

- Medium Power Transformers & Auto Transformers from 10MVA to 300MVA
- Mobile Substations, Mobile Transformers, and Mobile Substation Equipment
- Portable/Skid/Unitized substations
- Transformer Maintenance, Service, Testing & field refurbishments
- Mobile Substation Repair, refurbishing, and upgrade

Sanil – South Korea – www.sanil.co.kr

- Pad and Pole mounted transformers from 25kVA to 5000kVA (1 and 3 phase)
- Power Transformers up to 10MVA
- Dry Type transformers up to 5000kVA
- AC/DC reactors to 5000kVA

ASC Inc – Tulsa, Oklahoma - www.advancedsteelinc.com

- Substation Steel
- Transmission Steel
- Anchor Bolt Cages
- PV Solar stands
- Sources steel only from domestic suppliers

Electri-Glass – Jackson, TN - www.electri-glass.com

- Fiberglass box pads for Single & 3-Phase pad mount transformers, Switchgear vaults & sectionalizing cabinets, Hand holes & splice boxes

Paradoxe PX3 PowerFlo – Jackson, TN – www.pxecorp.com

- Transformer fan cooling solutions
- Extended lifetime fan with self-cooling motor
- Components are safe for corrosive environments

www.NexGenUtilitySales.com

Sales@nexgenreps.com

Trantech Radiator Products, Inc. – Edgefield, SC – www.trantechradiators.com

- Supply of new or replacement radiator cooling systems, coolers, valves, and manifolds
- Engineering services for up-rating cooling for transformers
- Ballistics protections for radiators for new and retrofit applications
- Mobile Auxiliary Cooling (MAC) systems.

Filmox Oil Filtration Systems – Loudon, TN – www.filmoxllc.com

- Transformer filter and dry out systems
- LTC, Regulator, & Oil Circuit Breaker Filter and dry out systems
- Solutions for Generator and Turbine lube oil filtration
- Remote oil sampling system
- Oil Filter press carts and wagons.
- Mobile Filter systems
- Filter elements for filtering systems for transformer processors and oil filter systems.
- Desiccant Breathers by Guardian

Contact Fabricators Inc – Middletown, IN – www.contactfabricators.com

- Electrical Contacts, Tap changer assemblies, and transformer components
- Bushing stud connectors, Cable and NEMA Pad connectors, custom leads & connectors
- Valves and valve rebuild kits
- Remanufactured Tap Changers in inventory.
- Custom Flanges
- Braided Shunt leads.

Panel-Matic – Mfg Locations OH, TX, MO, SC – www.panelmatic.com

- Substation Control Panels, Buildings, & Consoles
- Control Racks, Custom fabricated enclosures
- Maintenance, Installation, Upgrades, and Startup of Control Panels & Buildings
- Line, Distribution, Cap Bank Protection, RTU, Transformer Protection, Bus differential, Annunciator, Feeder, Metering, Communication, & SCADA/RTU Panels

BAE Batteries USA / Hindle Power Chargers Somerset, WI – www.BAEBatteriesUSA.com

- Full Line of Stationary VLA & VRLA Batteries
- DC Charging Systems by Hindle
- Substation Racks & Outdoor Enclosures

Electrical Technologies - Golden, CO – www.electrical-technologies.com

- Passive cooling chamber for protecting batteries
- Passive cooling/heating reservoir & radiator filled with water (Heat Sink)
- Standard with Hydrogen venting system
- Optional battery charger cabinet
- Designed for 300 amp/hr systems and lower

 **KORE SOLUTIONS**

Kore Solutions – Waterbury, VT – www.Korepower.com/Solutions

- Battery Energy Storage Systems
- Energy storage for enhancing renewable energy resources
- Back-up / emergency power for telecom towers for grid support
- Grid Hardening with on demand battery power supply

 **NOMAD**
TRANSPORTABLE POWER SYSTEMS

NOMAD Transportable Power Systems – Waterbury, VT – www.nomadpower.com

- Mobile Energy storage systems (from 250kW to 1MW (2.0MWH)
- Emergency power or Peak Load Support
- Islanding power supply for equipment maintenance, special events
- Black starting support for Power plants

 **KONARK**

Konark – Irving, Tx – www.konarkinc.com

- Mono & Bi-Facial PV cells and modules
- Mono N-Top & Bi-Facial N-Top
- Solar solutions for Utility, Commercial and Residential customers.
- End-to-end solution provider for Solar Projects.

 **OBERON**
TECHNOLOGIES

Oberon Technologies – Michigan & Virginia – www.oberontech.com

- Design and implementation of full scale virtual reality solutions.
- Target modules include: Safety Training, recurrent maintenance training, remote troubleshooting, simulation of failures and interruptions.
