

# NEXGEN

UTILITY SALES  
MANUFACTURING REP AGENCY

- Power Transformers up to 300MVA
- Distribution transformers & Pads
- Mobile Substations & Portable substation equipment
- Substation Field Services
- Instrument Transformers
- Substation Steel & T-Line Poles, H- & A- Frames
- Infrared & Visual Cameras (Monitor & Security)
- DC Battery Power & Charging Systems
- Solar Cells & Panels
- Battery Energy Storage Systems
- Mobile Energy Storage Systems
- Condition Based Monitoring Equipment
- Transformer Cooling Systems & Fans
- Oil Filtering systems & Elements
- Wire & Cable (Distribution & Transmission)

**Delta Star, Inc** – Virginia, California, & Quebec, Canada – [www.DeltaStar.com](http://www.DeltaStar.com)

- Medium Power Transformers & Auto Transformers from 10MVA to 300MVA
- Mobile Substations, Mobile Transformers, and Mobile Substation Equipment
- Portable/Skid/Unitized substations
- Transformer Maintenance, Service, Testing & field refurbishments
- Mobile Substation Repair, refurbishing, and upgrade

**Sanil** – South Korea – [www.sanil.co.kr](http://www.sanil.co.kr)

- Pad and Pole mounted transformers from 25kVA to 5000kVA (1 and 3 phase)
- Power Transformers up to 10MVA
- Dry Type transformers up to 5000kVA
- AC/DC reactors to 5000kVA

**ASC Inc** – Tulsa, Oklahoma - [www.advancedsteelinc.com](http://www.advancedsteelinc.com)

- Substation Steel
- Transmission Steel
- Anchor Bolt Cages
- PV Solar stands
- Sources steel only from domestic suppliers

**Electri-Glass** – Jackson, TN - [www.electri-glass.com](http://www.electri-glass.com)

- Fiberglass box pads for Single & 3-Phase pad mount transformers, Switchgear vaults & sectionalizing cabinets, Hand holes & splice boxes

**Paradoxe PX3 PowerFlo** – Jackson, TN – [www.pxecorp.com](http://www.pxecorp.com)

- Transformer fan cooling solutions
- Extended lifetime fan with self-cooling motor
- Components are safe for corrosive environments

[www.NexGenUtilitySales.com](http://www.NexGenUtilitySales.com)

[Sales@nexgenreps.com](mailto:Sales@nexgenreps.com)

**Trantech Radiator Products, Inc.** – Edgefield, SC – [www.trantechradiators.com](http://www.trantechradiators.com)

- Supply of new or replacement radiator cooling systems, coolers, valves, and manifolds
- Engineering services for up-rating cooling for transformers
- Ballistics protections for radiators for new and retrofit applications
- Mobile Auxiliary Cooling (MAC) systems.

**Filmox Oil Filtration Systems** – Loudon, TN – [www.filmoxllc.com](http://www.filmoxllc.com)

- Transformer filter and dry out systems
- LTC, Regulator, & Oil Circuit Breaker Filter and dry out systems
- Solutions for Generator and Turbine lube oil filtration
- Remote oil sampling system
- Oil Filter press carts and wagons.
- Mobile Filter systems
- Filter elements for filtering systems for transformer processors and oil filter systems.
- Desiccant Breathers by Guardian

**Contact Fabricators Inc** – Middletown, IN – [www.contactfabricators.com](http://www.contactfabricators.com)

- Electrical Contacts, Tap changer assemblies, and transformer components
- Bushing stud connectors, Cable and NEMA Pad connectors, custom leads & connectors
- Valves and valve rebuild kits
- Remanufactured Tap Changers in inventory.
- Custom Flanges
- Braided Shunt leads.

**Panel-Matic** – Mfg Locations OH, TX, MO, SC – [www.panelmatic.com](http://www.panelmatic.com)

- Substation Control Panels, Buildings, & Consoles
- Control Racks, Custom fabricated enclosures
- Maintenance, Installation, Upgrades, and Startup of Control Panels & Buildings
- Line, Distribution, Cap Bank Protection, RTU, Transformer Protection, Bus differential, Annunciator, Feeder, Metering, Communication, & SCADA/RTU Panels

**BAE Batteries USA / Hindle Power Chargers** Somerset, WI – [www.BAEBatteriesUSA.com](http://www.BAEBatteriesUSA.com)

- Full Line of Stationary VLA & VRLA Batteries
- DC Charging Systems by Hindle
- Substation Racks & Outdoor Enclosures

**Electrical Technologies** - Golden, CO – [www.electrical-technologies.com](http://www.electrical-technologies.com)

- Passive cooling chamber for protecting batteries
- Passive cooling/heating reservoir & radiator filled with water (Heat Sink)
- Standard with Hydrogen venting system
- Optional battery charger cabinet
- Designed for 300 amp/hr systems and lower

 **KORE SOLUTIONS**

**Kore Solutions** – Waterbury, VT – [www.Korepower.com/Solutions](http://www.Korepower.com/Solutions)

- Battery Energy Storage Systems
- Energy storage for enhancing renewable energy resources
- Back-up / emergency power for telecom towers for grid support
- Grid Hardening with on demand battery power supply

**NOMAD Transportable Power Systems** – Waterbury, VT – [www.nomadpower.com](http://www.nomadpower.com)

- Mobile Energy storage systems (from 250kW to 1MW (2.0MWH)
- Emergency power or Peak Load Support
- Islanding power supply for equipment maintenance, special events
- Black starting support for Power plants

**Konark** – Irving, Tx – [www.konarkinc.com](http://www.konarkinc.com)

- Mono & Bi-Facial PV cells and modules
- Mono N-Top & Bi-Facial N-Top
- Solar solutions for Utility, Commercial and Residential customers.
- End-to-end solution provider for Solar Projects.

**Systems with Intelligence**– Ontario, Canada – [www.systemswithintelligence.com](http://www.systemswithintelligence.com)

- Touchless Monitoring & Security with remote monitoring
- Infrared & Visual cameras for condition-based monitoring
- Mobile Thermal and Visual monitoring for rapid deployment
- Monitoring solutions for Substations, Underground, Vaults

**GE Vernova Monitoring & Diagnostics** – Cambridge, MA - [www.GEVernova.com](http://www.GEVernova.com)

- Online Dissolved gas monitoring (Single Gas & Multi-Gas)
- Kelman Portable DGA
- Online Busing monitoring, Breaker Monitoring
- Asset Fleet monitoring .

**Iljin Electric** – South Korea - <https://www.iljinelectric.com/eng>

- Wire & Cable (EHV, MV, HVDC)
- XLPE & EPR (MV) Power Cables for underground distribution and lighting.
- Tree Wire
- HV Underground cable 60kV – 400kV
- MV underground cable 11kV – 36kV
- Overhead T Line – AAC, ACSR, TASC, HTACSR, HSTACIR, & ASCC
